

PRODUCT CODE 0101

Royale Play Dune

Asian Paints Royale Play Dune collection consists of a water-based top coat finish with metallic pigments, available in a Silver or Gold base. The effect achieved with this product are inspired from sub saharan themes, deserts and sand dunes of Africa. These effects are perfectly suitable for decoration of interior walls in classical and modern environments to provide subtle sophisticated finishes. Dune is an odourless and completely non-toxic paint

PRODUCT BENEFITS

Special Effects

A number of Special Effects such as Drizzle, Whirl and Halo can be created using a variety of tools, with Asian Paints Royale Play Dune Special Effects Paint.

Easy Application

This product has been specially formulated so that it is easy to apply, allows the tools to move smoothly without much effort, retaining the pattern left by the tool that created. It provides sufficient open time to allow the creation of the effect.

Metallic Lustre

It provides a metallic lustre that lends elegance and style to the surface.

Availability

Dune is also available in 6 direct shades : Amalgam, Bronzer, Medallion, Firebrand, Black and Ferment which bring the spirit and essence of Africa into your homes.

WATER BASED

* All Asian Paints products contain no added Lead, Mercury, Arsenic or Chromium from April 2008.

On smooth well-prepared surface by rolling followed by use of Special Effect Tools

1 COAT
40 – 60
sq.ft/ltr**

**Actual coverage may vary from the quoted coverage due to factors such as method and condition of application and surface roughness and porosity.

COLOURS AVAILABLE

48*

*Currently available in 3 effects per colour totaling to 144 combinations.

PRE PAINTING STEPS

PLASTER New masonry surfaces must be allowed to cure completely. It is recommended to allow 28 days as the curing time for new masonry surfaces.

CLEANING Surface should be free from any loose paint, dust or grease. Growths of fungus, algae or moss should be removed by wire brushing and water. In case of areas having excessive dampness use Asian Paints SmartCare Damp Block to limit further dampness. When the underlying surface exhibits chalkiness, in spite of thorough surface cleaning, use Asian Paints SmartCare Exterior Sealer.

FILLING FOR CRACKS For filling cracks upto 3mm use Asian Paints SmartCare Crack Seal.

FILLING FOR HOLES & DENTS In case of dents and holes use Asian Paints Acrylic Wall Putty or white cement and fine sand in the ratio 1:3

Royale Play Dune should not be applied on surfaces / substrates that are subjected to continuous seepage or dampness.
